

Dear Residential and Commercial users of the Sugar Grove Public Water System,

The following form is a Cross-Connection Control Survey. The survey will be used by the Village of Sugar Grove's Public Water Supply to determine if the Village is susceptible to cross-connection contamination. Please complete the appropriate portion, either the residential or commercial section, and return it to the Village with your utility bill payment, via fax or email. Your cooperation and assistance is appreciated. Forms are also available on the Village's website at [www.sugar-grove.il.us/Forms/PWCC\\_Survey.pdf](http://www.sugar-grove.il.us/Forms/PWCC_Survey.pdf).
