The Village of Sugar Grove, the Sugar Grove Economic Development Corporation and the Sugar Grove Chamber of Commerce & Industry welcome Brightest Stars Preschool to Sugar Grove, Illinois. A ribbon cutting ceremony will be held on Monday, August 18, 2008 to welcome business owner and Director, Amy Peters.

“Brightest Stars Preschool provides developmentally appropriate classes for children ages 3-6. There is an AM session offered from 9:00 AM - 11:30 AM and a PM session from 12:30 PM - 3:00 PM. Sessions are taught Monday through Friday and parents can enroll their children in any combination of days in either session as long as there is availability. The maximum class size is 10 children. Each preschool class is centered on making learning fun and works on a variety of skills that promote confidence and independence to get children ready for kindergarten. There is a strong emphasis on language development, math, science, alphabet, writing, music, and kindergarten readiness. Half day kindergarten students may also enroll to receive enrichment to enhance skills there are learning in their kindergarten class.”

Village President P. Sean Michels stated, “Our community’s future lies in the hands of our children. As the Board and I continue to work to lay a strong foundation for the future of Sugar Grove by planning for transportation needs, bringing commerce and insuring the availability of quality open space while retaining our community uniqueness, we rest assured knowing that our future, the children of Sugar Grove, are being given a strong foundation by our educational system. On behalf of myself and the Board, I am pleased to welcome to our community, Brightest Stars Preschool”.
